

Orange Power

Quick-acting, slow vaporising special product based on natural orange extracts. Removes adhesive residues, eg removing labelling on vehicles. Rubber and resin residues, ink stains, oil, greases, tar and chewing gum, etc., can also be removed without any problems from solvent-resistant surfaces such as paintwork, glass, ceramic, metal, etc. Contains no halogenated hydrocarbons and is pleasant to use thanks to its fresh orange fragrance.

page 1 of 1

Areas of use

Solvent-resistant substrates such as paints, glass, ceramics, metal, etc.

Recommendations for use

Apply undiluted to the stains using a dry, absorbent cloth and rub or spray on, leave to act for 1-3 minutes and wipe off or steam off using a high-pressure device.
